MOROSINI GIOVANNI SRL

Accessori nautici

Note: Technical and aesthetic characteristics of the items may change without advice. All the publication rights of this catalogue, included the images of the products are reserved to Morosini Giovanni s.r.l. and the partial or total reproduction is forbidden.

Prices: We invite you to contact us for any technical information and for quotations to the following email address: info@morosinigiovanni.com.

Repairs: We remind you that Morosini Giovanni s.r.l. repairs and reconditions navigation gauges (VDO and Stewart Warner) and windshield-wiper vacuum motors (TRICO) installed on Riva boats.

Some working steps …

Galvanized steel anchor.

Item 0503 Weight: 4 kilos

Item 0505 Weight: 7 kilos *(for Aquarama)*

Item 0507 Weight: 12 kilos

Half round raw brass list.
Supplied in rods.

Item 0545 Dimensions: 4 X 8 mms. *(gr. 214/mt.)*
Rods length: 3 meters
Item 0546 Dimensions: 4 X 12 mms. (*gr. 395/mt.)*
Rods length: 3 meters
Item 0547 Dimensions: 5 X 16 mms. (gr. 550/mt.)
Rods length: 3 meters
Item 0548 Dimensions: 6 X 20 mms. (*gr. 850/mt.)*
Rods length: 4 meters
Item 0549 Dimensions: 7 X 25 mms. *(gr.1150/mt.)*
Rods length: 4,20 meters

Angle profile raw brass list.
Supplied in rods.

Item 0547/A Dimensions 20 X 20 X 3 mms. *(gr. 950/mt.)*
Rods length: 4 meters
Item 0548/A Dimensions 25 X 25 X 3 mms. *(gr. 1.200/mt.)*
Rods length: 4 meters
Item 0549/A Dimensions 30 X 30 X 3 mms. *(gr. 1.450//mt.)*
Rods length: 4 meters

Half round "T" raw brass list.
Supplied in rods.

Item 0545/B Dimensions 16 X 20 mms. *(gr. 700/mt.)*
Rods length: 4 meters

Flat row brass list.
Supplied in rods.

Item 0545/C Dimensions 20 X 3 mms. *(gr. 450/mt.)*
Rods length: 3 meters

Item 0546/C Dimensions 25 X 3 mms. *(gr. 650/mt.)*
Rods length: 3 meters

Nail row brass list.
Supplied in rods.

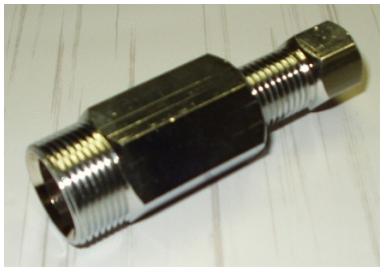
Item 0545/D Dimensions 13 X 5 X 1,3 mms. *(gr. 200/mt.)*
Rods length: 4 meters
Item 0546/D Dimensions 18 X 7 X 1,3 mms. *(gr. 300/mt.)*
Rods length: 4 meters
Item 0547/D Dimensions 30 X 7 X 1,3 mms. *(gr. 450/mt.)*
Rods length: 4 meters

Stainless-steel stem protection blades for wooden boats.

Item 0550 For boats with electric winch.
Item 0551 Short model until 1,20 meters length.
Item 0552 Long model over than 1,20 up to 2 meters length.

Chromed brass half round list, installed on stem of all Riva wooden boats.

Item 0560 Dimensions 12 X 1800 mms.
Item 0562 Dimensions 16 X 1800 mms.
Item 0564 Dimensions 16 X 2400 mms.
Item 0566 Dimensions 12 X 2400 mms.



Chromed brass Riva propeller puller.

Item 0570 Thread Ø 28 X 1,75 mms.

Stainless-steel propeller shaft.

Item 1001 1” diameter - 1170 mms. long.
Item 1002 1” diameter - 1470 mms. long.
Item 1003 1” 1/8 diameter - 1700 mms. long.
Item 1004 1” 1/8 diameter - 1180 mms. long.
Item 1005 35 mms. diameter - 1650 mms. long.
Item 1007 35 mms. diameter - 2618 mms. long.

Propeller shaft coupling.

Item 1020 1” hole diameter - 100 mms. flange diameter.
(Velvet inverter)
Item 1020/A 1” hole diameter - 100 mms. flange diameter.
(Paragon inverter)
Item 1021 1” 1/8 hole diameter - 100 mms. flange diameter.
(Velvet inverter)
Item 1021/A 1" 1/8 hole diameter - 100 mms. flange diameter.
(Paragon inverter)
Item 1022 1" 1/8 hole diameter - 127 mms. flange diameter.
(Velvet inverter)

Hydro-lubricated propeller shaft bushing - brass housing.

Item 1030 1” internal Ø X 37 X 50 mms. long.

Item 1031 1” internal Ø X 37 X 101 mms. long.

Item 1032 1” 1/8 internal Ø X 40 X 50 mms. long.

Item 1033 1” 1/8 internal Ø X 40 X 101 mms. long.

Item 1034 32 internal Ø X 1” ¾ X 127 mms. long.

Item 1035 35 internal Ø X 1” 7/8 X 140 mms. long.

Item 1036 1 ¼” internal Ø X 1” 3/4 X 127 mms. long.

Item 1037 1” 1/2 internal Ø X 2” X 153 mms. long.

Item 1039 1” 3/4 internal Ø X 2” X 178 mms. long.

Item 1040 For Aquariva Ø 40 X 52 X 160 mms. long

Item 1050 **Stainless-steel screw for propeller shaft bushing.**

Item 1090 **Stainless-steel bolt for propeller shaft Bracket. Washers and nuts are included.**
(Riva S. Florida /Ariston / Aquarama).

Item 1091 **Stainless-steel bolt for propeller shaft Bracket.**
(Riva Junior / Rudy).

Item 1091/A **Stainless-steel bolt for intermediate holder.**
Dimensions: 3/8 x 70 mms.

Bolt for propeller shaft coupling flange *(stainless- steel).*

Item 1093 For Chris Craft engine.
Item 1094 For Crusader engine
(bolt size 3/8"X38 mms.).
Item 1094/D 3/8" nut for bolt.
Item 1095 For Crusader engine
(bolt size 7/16"X40 mms.).
Item 1095/D 7/16" nut for bolt.

Riva rudder for wooden hulls.

Item 1501 Starboard for Aquarama *(all models).*

Item 1502 Port for Aquarama *(all models).*

Item 1504 For Olympic, Ariston, Florida, Super Florida.

Rudder bronze bushing.

Item 1530 30 mms. internal diameter - inclined model for Aquarama.
Item 1532 30 mms. internal diameter - straight model for Ariston, Super Ariston, Florida e Super Florida.
Item 1534 26 mms. internal diameter - for Junior, Rudy e Rudy Super
Item 1538 35 mms. internal diameter - for Riva Saint Tropez.

Seal ring set for rudder and propeller shaft.

Item 1550 1” internal diameter.
Item 1552 1” 1/8 internal diameter.
Item 1554 30 mms. internal diameter.
Item 1556 35 mms. internal diameter.

Item 1570 **Special nut for rudder bushing.** *(1530-1532)* **D. 30 mms.**
Item 1575 **Hexagonal nut for rudder bushing.** *(1530-1532)* **D. 30 mms.**
Item 1576 **Hexagonal nut for rudder bushing** *(1538)* **S. Tropez**
Item 1580 **Washer for rudder bushing.** *(1530-1532)* **D. 30 mms.**
Item 1581 **Washer for rudder bushing** *(1538)* **Saint Tropez**

Propeller shaft stuffing box.

Item 1590 1” shaft.

Item 1591 1” 1/8 shaft.

Item 2000 **18 x1,75 mms. nut with blocking thread**

Propeller zinc nut.

Item 2005 Suitable for all Riva boats, 25’ S. Fisherman and Saint Tropez.

Item 2006 For Aquariva

Item 2007 As item 2005, but with replaceable anode

Replace zinc anode.

Item 2005/A For item 2007

Item 2006/A For Aquariva.

Item 2006/MG Magnesium anode for Aquariva

Item 2010 **Stainless-steel propeller nut pin 4 X 50 mms. suitable for item 2005**

Item 2011 **Stainless-steel propeller nut pin 5 X 60 mms.**

Item 2014 **Stainless-steel propeller shaft arrestors.**
(Dimensions 6 x 6 x 30 mms. for rudder or
6 x 6 x 35 mms. for propeller shaft.)

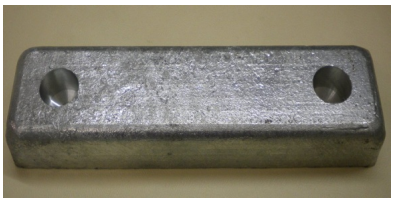
Item 2016 **Brass plate with oval hole for thru-hull propeller shaft.** *(Riva Ariston)*

Item 2017 **Internal support for propeller shaft.**

Item 2018 **Propeller shaft intermediate bracket with 1”1/8 bushing.**

Round sacrifice anode for rudder, supplied in pairs, with stud and nut.

Item 2022 70 mms. diameter (zinc)
Item 2022/MG 70 mms. diameter (magnesium)
Item 2023 90 mms. diameter (zinc)
Item 2025 130 mms. diameter (zinc)



Sacrifice anodes 225 X 60 mms. for flaps

Item 2026 Zinc version

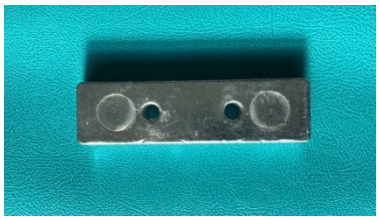
Item 2026/MG Magnesium version

Oval zinc anodes for Aquariva

Item 2030 320 x 65 x 35 mms.

Round anodes for Aquariva

Item 2031 Diameter 140 x 35 mms.

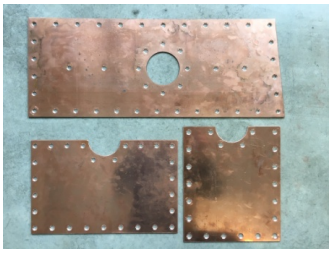


Item 2032 **Anode for Aquariva flaps**
(100x28x12 mms. – zinc)

Item 2032/MG **Anode for Aquariva flaps**
(100x28x12 mms. – magnesium)

Manifold sacrifice zinc anode with brass cap.

Item 2040 Thread 3/4” stud Ø 15 X 135 mms.
Item 2042 Thread 3/4” stud Ø 20 X 135 mms.
Item 2044 Thread 1/2” stud Ø 15 X 135 mms.
Item 2046 Thread 1/2” stud Ø 15 X 50 mms.
Item 2048 Thread 3/8” stud Ø 10 X 190 mms.
Item 2050 Thread 1/4” stud Ø 10 X 190 mms.
Item 2052 Thread 3/8” stud Ø 10 X 55 mms.
Item 2054 Thread 1/4” stud Ø 10 X 55 mms.
Item 2056 Thread 1/4” stud Ø 10 X 40 mms.



Hull propeller protection copper plate.

Item 2060 Riva Ariston

Item 2061 Riva Aquarama

Item 2062 Riva Super Florida - Olympic

Exhaust pipe seal cotton rope.

Item 2070 0,500 kilos package.

Item 2071 3 mts. package for single boat.

Special Riva tools.

Item 2075 60 mms. stainless-steel hexagonal wrench.

Item 2076 32 mms. propeller shaft remover.

Item 2078 **Ariston, Olympic, Super Florida, Aquarama tools bag.**
Only bag, special Riva tools are not included.

Item 2080 **40 X 52 mms. diameters rubber hose from internal support to stuffing-box.**

Safety chromed brass ball chain for fuel filling cap.

Item 2560 6 mms. diameter chromed brass ball chain supplied in meters.

Item 2561 50 cms. long chain with stainless-steel arrestor.

Three section white rope with stainless-steel thimble *(AISI 316).*

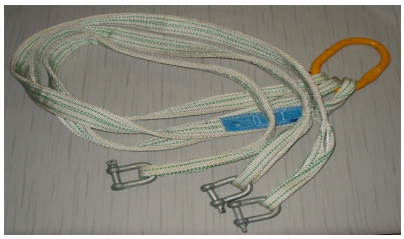
Item 2576 Rope - 30 mts. length - 8 mms. diameter.
(max. 5 Kilos anchors)

Item 2578 Rope - 30 mts. length - 10 mms. diameter.
(max. 9 Kilos anchors)

Stainless-steel lifting-tackles for Riva wooden boats.

Three cable model.
Item 2706 Junior, Rudy e Olympic
Item 2710 Florida, S. Florida, Ariston, S. Ariston
Item 2715 Saint Tropez

Four cable model.
Item 2725 Aquarama, Aquarama Super
Item 2730 Aquarama Special
Item 2735 Tritone



Polyester lifting-tackles for Riva wooden boats with ring connection.

Three cable models.
Item 2706/A Junior, Rudy e Olympic
Item 2710/A Florida, S. Florida, Ariston, S. Ariston
Item 2715/A Saint Tropez

Four cable models.
Item 2725/A Aquarama, Aquarama Super
Item 2730/A Aquarama Special
Item 2735/A Tritone

Polyester lifting-tackles for Riva wooden boats without connection ring.

Three cable models.
Item 2706/B Junior, Rudy e Olympic
Item 2710/B Florida, S. Florida, Ariston, S. Ariston
Item 2715/B Saint Tropez

Four cable models.
Item 2725/B Aquarama, Aquarama Super
Item 2730/B Aquarama Special
Item 2735/B Tritone

Item 2755 **16 mms. diameter heavy zinc galvanized shackle for boat lifting-tackles.**

Item 2760 **Fore hook for attach lifting tackles.**

Item 2762 **Couple of studs for fixing fore hook** *(item 2760)*

Item 3002 **Chromed brass holder 18 mms. diameter for flagpole supplied with nut and reinforcement.**

Item 3002/D **Brass hexagonal spare nut for art. 3002**

Item 3003 **Black rubber spare reinforcement for flagpole holder** *(item 3002)*

Stainless-steel flagpole fitted with varnished wood top.

Item 3005 Dimensions: 650 mms. length - 20 mms. diameter *(for Aquariva)*

Item 3006 Dimensions: 600 mms. length - 18 mms. diameter.

Item 3008 Dimensions: 600 mms. length - 21 mms. diameter.

Flag pole with chromed brass top.

Item 3006/A Ø 18 mms.

Item 3008/A Ø 21 mms.

Pole flag spare parts.

Item 3009 Wood top.

Item 3009/A Plastic terminal cap.

Burgee with printed logo.

Item 3010 Dimensions: 37 X 15 cms.

Item 3012 Dimensions: 45 X 20 cms.

Item 3015 **Stainless-steel burgee pole for cabin cruiser.**

Dimensions: Ø 14 x 380 mms.

Item 3020 **Chromed holder for sun-canopy stanchion, supplied with nut - open version.**

Item 3020/A **Chromed holder for sun-canopy stanchion, supplied with nut - close version.**

Item 3020/D **Spare brass hexagonal nut for item 3020.**

Stainless-steel sun-canopy stanchion.
(Sold without folder)

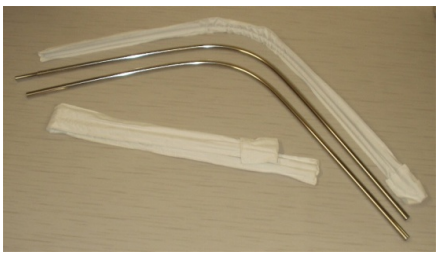
Item 3025 Max 100 cms. length

Item 3025/A 125 cms. Length

Sun-canopy stanchion folder.

Item 3025/B For four poles.

Item 3025/C For seven poles.



Stainless-steel arch for convertible top.

Item 3026 For Riva Super Florida
(one detachable arch).

Item 3027 For Riva Saint Tropez
(two detachable arches).

Item 3028 **Twin stainless-steel sliding device for convertible top arches** (Riva Ariston).

Item 3029 **Couple of end fitting** *(one side)* **in stainless steel for Junior, Rudy and Olympic rail canopy slide.**

Item 3030 **Brass chromed recess fishing-rod and sun-canopy stanchion holder, fitting with thru deck three studs.**

Twin stainless-steel holders for convertible top, fitted under the dashboard.

Item 3031 For Riva Rudy
Item 3032 For Riva Junior
Item 3033 For Riva Olympic

Stainless-steel sun-canopy stanchion.

Item 3035 **Base 40 mms. diameter – length 190 cms.**
(Suitable for fiberglass Riva boats.)

Plastic protection plugs.

Item 3040 25 mms. diameter *(for sun-canopy holder)* white.
Item 3040/A 25 mms. diameter *(for sun-canopy holder)* beige.
Item 3055 35 mms. diameter *(for ski pole holder)* beige.
Item 3060 40 mms. diameter *(for ski pole holder)* white.

Item 3050 **Chromed brass ski pole holder supplied with retaining nut, 35 mms. internal diameter.**

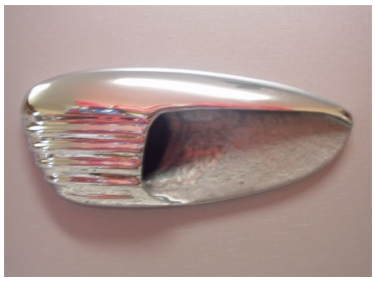
Item 3050/D Replacement nut for item 3050.

Item 3051 **Chromed brass holder base, 35 mms. internal diameter, for ski pole** *(suitable for Riva runabouts)*

---

35 mms. diameter ski tow for Riva runabouts.

Item 3061 Suitable for Rudy
Item 3062 Suitable for Junior, Olympic
Item 3064 Suitable for Ariston, Florida, Super Florida
Item 3066 Suitable for Aquarama, Aquarama Special
Item 3068 Suitable for Saint Tropez



Chromed brass air exhaust fitted on boat's side of Riva runabouts.

Sold in pair.

Item 3070 Ariston and Aquarama II° series

Chromed brass air exhaust fitted on boat's side of Riva runabouts.

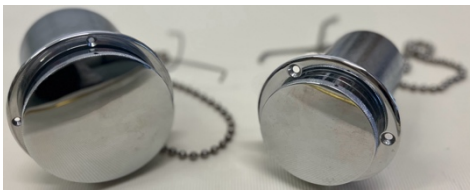
Sold in pair

Item 3072 Ariston, Aquarama special, 20' and 25' Sport Fisherman III° series.

Item 3074 **Water exhaust grid, fitted on the sunbathing stern cockpit of Riva Aquarama.**

Chromed brass air vent fitted on the deck of Riva runabouts.

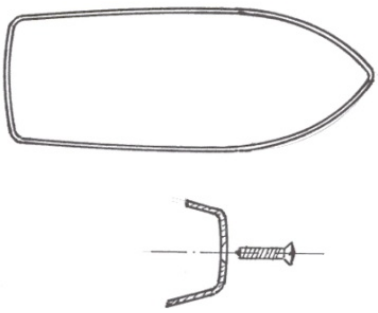
Item 3075 Small deck vent – dimensions: 180 X 130 X 50 mms.
Item 3076 Grid for item 3075
Item 3077 Large deck vent – dimensions: 240 X 190 X 70 mms.
Item 3078 Grid for item 3077



Chromed brass fuel filling cap.

Item 3079 Fuel cap with 60 mms. diameter flange, suitable For Riva Junior, Rudy S. Florida, Ariston, Olympic.

Item 3079/A Fuel cap with 80 mms. diameter flange, suitable for Riva Aquarama and Tritone.



Fine polished preformed stainless-steel fender list,
(As a replacement of aluminum lists).

Item 3080 Suitable for Riva Rudy - Rudy Super.

Item 3081 Suitable for Riva 20' Bahia mar.

Item 3082 Suitable for Riva 25' Sport Fisherman.

Item 3083 Suitable for Riva Saint Tropez.

Item 3084 Suitable for Riva 2000.

Item 3501 **Aquarama/Aquarama Special bow nose**

Item 3502 **Junior bow nose**

Item 3503 **Ariston/S. Florida bow nose**

Item 3504 **Florida bow nose**

Item 3505 **Stern hawseholes for Riva 25'**

Item 3506 **Chromed brass bow towing ring**
(inclined).

Item 3507 **Chromed brass ring cleat** *(for Riva Junior and Olympic).*

Riva chromed brass cleat.

Item 3508 16 cms. length. *(stern for Ariston, S. Florida)*

Item 3509 14 cms. length. *(Aquarama side)*

Item 3509/A 25 cms. Length *(Aquarama bow)*

Item 3509/B 20 cms. Length *(Aquarama stern)*

Item 3511 **20 cms. length. chromed brass cleat fitted on the deck with two studs.**

Chromed brass hollow list with white rubber finishing and the <u>end fittings welded on it</u> – fitted on side steps of Riva wooden boats.

Item 3519 30 cms. length *(Super Florida)*
Item 3520 38 cms. length *(Super Florida)*
Item 3522 70 cms. Length *(Ariston, Aquarama, Tritone)*
Item 3524 75 cms. length *(Ariston, Aquarama – Tritone)*

Chromed brass hollow list with white rubber finishing and the <u>end fittings separated</u> – fitted on side steps of Riva wooden boats.

Item 3519/A 30 cms. length *(Super Florida)*
Item 3520/A 38 cms. length *(Super Florida)*
Item 3522/A 70 cms. length *(Ariston, Aquarama, Tritone)*
Item 3524/A 75 cms. length *(Ariston, Aquarama, Tritone)*

Item 3525 **Chromed brass end fitting for hollow list side step.**

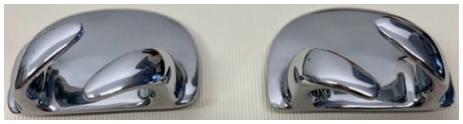
Item 3528 **Chromed brass fixing hook for side step** *(Riva Ariston, Tritone e Aquarama).*

Item 3529 **Stainless-steel retainer for side step** *(Riva Ariston, Tritone e Aquarama).*

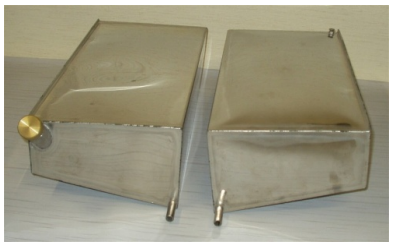
Item 3530 **Chromed brass spring retainers for item 3528** *(Riva Ariston, Tritone e Aquarama).*

Item 3528/A **Chromed brass fixing hook for side step Aquarama special**

Item 3530/A **Bushing retainer hook for item 3528/A**



Item 3531 **Stern fairleads for Aquarama**



Twin stainless-steel fresh water tanks *(shower installation).*

Item 3540 Twin for Riva Aquarama *(2 units)*

Item 3542 Twin for Riva Aquarama Special *(2 units)*

Item 3544 For Riva Saint Tropez *(one unit)*

Stainless steel fuel tank for Riva boats.

Item 3548 For Junior – Rudy – 95 Lts.
Item 3548/A For Florida – 105 Lts.
Item 3548/B For Super Florida – 135 Lts.
Item 3548/C For Ariston – 160 Lts.
Item 3548/D For Olympic – 160 Lts.
Item 3548/E For Aquarama – Tritone - 205 Lts. *(2 pieces)*
Item 3548/F For Aquarama – Super – Special – 240 Lts. *(2 pieces)*
Item 3548/G For Saint Tropez *(2 pieces)*

Item 3560 **Chromed brass scupper - 1" thread - Ø 30 mms. connection – bilge pump draining.**

Item 3568 **Chromed brass water draining.**

WC installation accessories.

Item 3570 Brass sea cock - water outlet – 1" 1/4 thread.

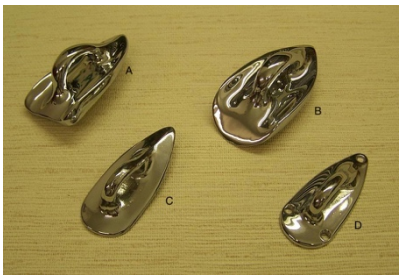
Item 3571 Brass sea cock - water inlet – 3/4" thread.

Item 3574 **1" 1/8 Thread brass sea cock** *(engine water cooling system).*

Item 3576 **Chromed brass fuel vent - 1/2" thread.**

Item 3580 **Chromed brass rope retainer** *(fitted on aft side wooden fenders)* **Aquarama – Ariston.**

Item 3582 **Chromed brass holder for mooring cover poles** *(Riva wooden boats).*



Chromed brass pneumatic fender rope retainer.

Item 3585 Installation with thru deck stud *(Heavy type).*
Item 3585/A Like item 3585 but with round base *(for Riva boats)*
Item 3586 Installation with thru deck stud *(Light type).*
Item 3587 Installation with three screws *(Light type).*

Item 3588 **Chromed brass ring installed on Riva Florida deck.**

Brass nut.		Brass washer.	
Item 3590	3/8” Thread	**Item 3590/R**	3/8” Ø
Item 3591	1/2” Thread	**Item 3591/R**	1/2” Ø
Item 3592	3/4” Thread	**Item 3592/R**	3/4” Ø
Item 3593	1” Thread	**Item 3593/R**	1” Ø
Item 3594	1”1/8 Thread	**Item 3594/R**	1”1/8 Ø
Item 3595	1”1/4 Thread	**Item 3595/R**	1”1/4 Ø
Item 3596	1”1/2 Thread	**Item 3596/R**	1”1/2 Ø

Knob in grey/ivory.

Item 4001 Windshield wiper control knob *(hexagonal insert)*

Item 4002 Switch plastic knob *(5 MA thread)*

Knob in black/ivory.

Item 4002/A Windshield wiper control knob *(hexagonal insert)*

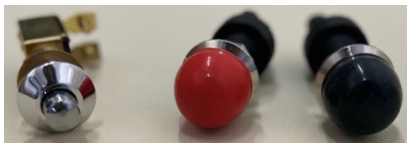
Item 4002/A Switch plastic knob *(5 MA thread)*

Windshield wiper control spares.

Item 4003 Hexagonal shaft + sphere and spring.

Item 4003/A Chromed bushing.

Item 4004 Brass push - pull switch - silver contacts - long mounting stem with knob.



Electric push button.

Item 4006 Chromed brass push button - silver contacts - mounting stem 15 x 25 mms. long.

Item 4007 Chromed brass push button - silver contacts with rubber protection cap - Watertight red or black cap *(specify in case of order - black is ignition and red is stop)*

Item 4008 **Black rubber switch cap with brass ring for toggle switches.**

Item 4009 **Black rubber cap for push button** *(for item 4007).*

Item 4010 **Red rubber cap for push button** *(for item 4007).*

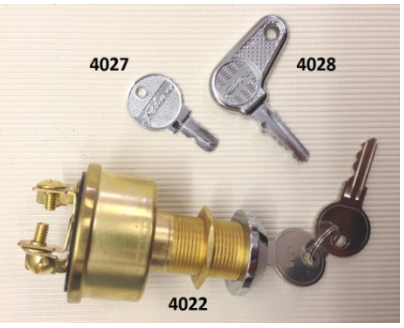
Item 4011 **Chromed brass push button - with red rubber protection cap - used for stop engine, contacts normal close.**

Toggle switch, with thermosetting high voltage resistant body - silver contacts - nickel plated brass lever and collet - max 15 A faston leads.

Item 4012 Two ways ON - OFF switch.
Item 4014 Two ways momentary ON - OFF switch *(for horn – flashing lights - etc.).*
Item 4016 Three ways Momentary ON - OFF - ON switch – when OFF is in rest position *(for flaps - trim - lift).*
Item 4018 Three ways ON - OFF - ON switch.

Item 4020 **Plastic toggle switch label - black surface – green descriptions in Italian / English languages.**

Item 4021 **Blower aluminum label for dashboard - black surface - silver description in Italian language.**



Ignition/start switch.

Item 4022 Switch - 4 rear contacts - 4 key positions:
OFF - Blower - ignition – start (momentary)

Item 4027 Spare key (for first type switch).
Switch no longer available.
NO *adaptable for item 4022*

Item 4028 Spare key (for second type switch).
Switch no longer available.
NO *adaptable for item 4022*

Chromed brass pilot light - watertight - Ø 18 mms. thread.

Item 4029/R Red light.

Item 4029/V Green light.

Item 4031 **Battery switch with red key, 140 A.**

Item 4031/A Red spare key for battery switch
(item 4031)

Aluminum bilge pump control panel with switch and pilot light.

Item 4032 Panel description *(Automatic / Manual).*

Item 4032/A Panel description *(Manual ON / OFF).*

Item 40333 Spare panel, only.

Cabin light.

Item 4056 **A** - Chromed brass light with lent, included bulb LED 12-24 V. - 75 mms. external Ø - built-in depth: 22 mms. – outstanding dimension: 35 mms.

Item 4056/V **D** – Lens for chromed brass light item 4056

Ceiling light for Aquariva cabin

Item 4057/A 75 mms. Diameter

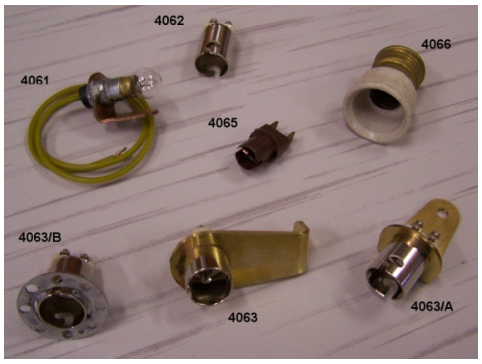
Item 4057/B 105 mms. Diameter

Item 4058/A **Engine room light – white polycarbonate screen - with ON - OFF switch – housing. Length: 120 mms.**

Item 4059/B **Riva engine room light** *(complete).*

Item 4059/C **Riva engine room light just replace lens.**

Bulb socket.



Item 4060 Unipolar socket – BA9S connection.
Item 4061 Unipolar socket - BA9S connection - with fitting stirrup for fore navigation light.
Item 4061/A Unipolar socket - BA9S connection - with fitting stirrup for fore navigation light Rudy-S. Tropez-25'-Aq. Special.
Item 4062 Bipolar socket – BAX15D connection.
Item 4063 Bipolar socket - BAX15D connection - with fitting stirrup for fore navigation light.
Item 4063/A Bipolar socket - BAX15D connection - with fitting stirrup for stern navigation light.
Item 4063/B Bipolar socket - BAX15D connection - with fitting stirrup embed type.
Item 4065 Socket for navigation gauge lighting.
Item 4066 Brass / ceramic E14 socket.

G.E. standard sealed beam bulb – Ø: 4"corresponding to 110 mms.

Item 4074 Sealed beam bulb - 12 volts 35 watts *(for deep searchlight).*

Item 4075 Sealed beam bulb - 12 volts 100 watts *(for deep searchlight).*

Item 4076 Sealed beam bulb - spreading screen - 12 volts 35 watts *(for both side mooring lights)*

Twin side mooring lights.

Item 4080 Complete 12 volts light.

Item 4081 ABS side light housing *(4 Pcs.)*

Item 4084 Chromed brass external flange.

Deep searchlight and spare parts.

Item 4085 Searchlight - 12 volts 35 watts.

Item 4086 Searchlight – spare chromed brass ball junction.

Item 4087 Bulb retainer *(spring).*

Item 4088 **Searchlight brass bracket** *(to be welded on the windshield).*

Fore navigation light.

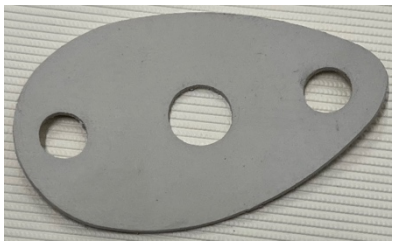
Chromed brass electric siren.

Item 4230 12 volts 10 amps siren.

Chromed brass siren spare parts.

Item 4232 Rear housing.
Item 4233 Front housing.
Item 4234 Fan retainer *(ogive).*
Item 4235 Upper label with Riva logo.
Item 4236 Round headed screw 3 X 4 mms.



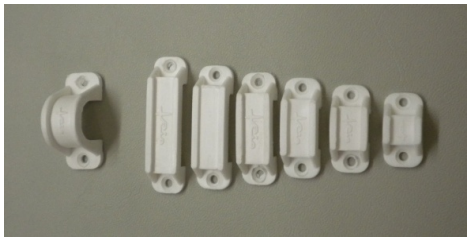
Item 4237 **Gasket for siren base**

Air blower for engine room – watertight housing – separate fan R.I.NA / CE approved - 150 mc./h. capacity

Item 4240 Blower 12 Volts 60 watts power.

Item 4241 Blower 24 Volts 60 watts power.

White nylon clamps for fixing electric wires.



Item 4250 Round - 16 mms. diameter.
Item 4251 Plane - 5 mms.
Item 4252 Plane - 10 mms.
Item 4253 Plane - 15 mms.
Item 4254 Plane - 20 mms.
Item 4255 Plane - 25 mms.
Item 4256 Plane - 35 mms.

Sending units for VDO marine gauges.

Item 4260 Fuel tank level sending unit adjustable from 150 to 535 mms.
Item 4262 Engine water temperature sending unit 1/2" - 14 NPTF.
Item 4264 Engine oil pressure sending unit (0 - 5 bar) 1/8 - 27 NPTF.
Item 4266 R.P.M. generator unit w/shaft.

Sending units for Steward Warner marine gauges.

Item 4260/A Fuel tank level sending unit adjustable from 15” to 24”.
Item 4260/B Fuel tank level sending unit adjustable from 10” to 15”.
Item 4262/A Engine water temperature sending unit 1/8" > 1/2" NPTF.
Item 4264/A Engine oil pressure sending unit (0 - 5 bar) 1/8 - 27 NPTF.

Chromed brass marine cigarette-lighter.

Item 4270 With anchor inlaid *(Riva)*

Item 4272 Chromed brass cigarette-lighter ring.

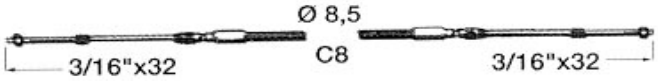
Compass.

Item 4275 High speed compass – model: 3" RIVIERA – 139 mms. external diameter - black housing.
Item 4276 High speed compass – model: 3" RIVIERA – 139 mms. external diameter - black housing. *(with Riva logo).*
Item 4277 High speed compass – model: Constellation 5" RIVIERA – 188 mms. external diameter - black housing.

Item 4280 **Riva VDO electronic R.P.M. counter with hour-meter, black display, 4500 rpm, connection to the “W” contact of the alternator.**

MOROSINI GIOVANNI SRL

Accessori nautici



Reinforced cable for throttle / gear control.

Item 4407 7 ft. long
Item 4410 10 ft. long
Item 4413 13 ft. long
Item 4416 16 ft. long
Item 4419 19 ft. long
Item 4422 22 ft. long
Item 4425 25 ft. long

Item 4408 8 ft. long
Item 4411 11 ft. long
Item 4414 14 ft. long
Item 4417 17 ft. long
Item 4420 20 ft. long
Item 4423 23 ft. long
Item 4426 26 ft. long

Item 4409 9 ft. long
Item 4412 12 ft. long
Item 4415 15 ft. long
Item 4418 18 ft. long
Item 4421 21 ft. long
Item 4424 24 ft. long
Item 4427 27 ft. long

Available lengths up to 44 FT.

Cable accessories.

Item 4450 Fork cable head.
Item 4451 Carburetor cable head.
Item 4452 Complete scabbard arrestors.
Item 4453 Scabbard arrestors without plate.
Item 4454 Sphere cable head.

Silicone glass hose – color white - for electric wire thermic protection.

Item 4455 5 mms. internal diameter

Item 4456 8 mms. internal diameter

Item 4457 12 mms. internal diameter

Item 4460 **Ground connecting plate fitted on rubber hose between exhaust tube and muffler**

Item 4462 **Fuse box - 6 positions with transparent plastic cover.**

Windshield gasket – marine rubber - ivory colored – *(U type)* **fitted between glass and frame.**

Item 4501 16 X 1,5 mms. section.

Item 4503 22 X 2 mms. section.

Item 4504 25 X 2,2 mms. section.

Item 4506 **Windshield gasket – marine rubber - ivory colored –** *(square type)* **fitted between deck and frame.**

Item 4507 **Windshield gasket – marine rubber - ivory colored –** *(base type)* **fitted between deck and glass.**

Item 4508 **Windshield gasket – marine rubber - ivory colored –** *(fungiform type)* **fitted over the frame.**

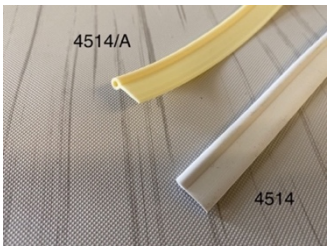
Item 4509 **Windshield gasket – marine rubber - ivory colored – Fitted on the first arch of the convertible top.**

Item 4510 **Rubber profile – marine rubber - ivory colored - Fitted on cockpit side steps.**

Item 4511 **Self-sticking rubber gasket 20 X 10 mms. Fitted on Riva Saint Tropez hatchway, 2,50 mts. long.**

Item 4512 **Grey profile for installation of cockpit side edge padded re-covering.**

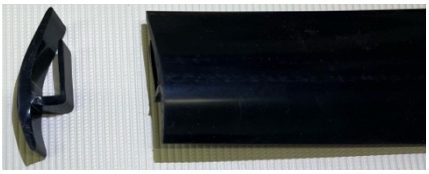
Item 4513 **Aquariva hatch profile**



Upholstery PVC profile fitted on the sides of the stern footboard.
(Junior Olympic Aquarama)

Item 4514 White colour.

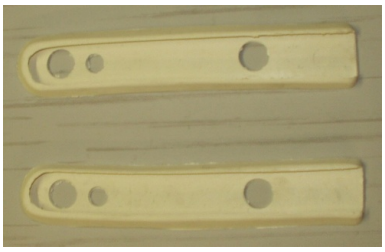
Item 4514/A Ivory colour.



Item 4515 **Black silicone rubber profile for Riva Ferrari and Gitano windshield**

Complete windshield gasket set *(Riva boats).*

Item 4516 Rudy, Rudy Super, Junior
Item 4517 Florida
Item 4518 Super Florida, Olympic.
Item 4519 Ariston, Super Ariston.
Item 4520 Tritone, Aquarama *(all).*
Item 4521 Saint Tropez.
Item 4522 Riva 2000.

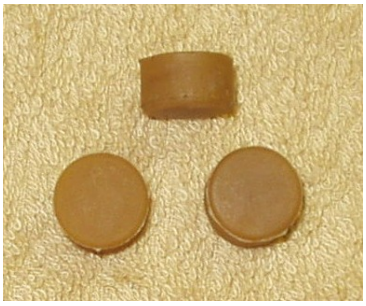


Item 4525 **Pair of rubber gaskets fitted side to the windshield, between deck and frame**
(Riva Rudy, Rudy Super, Junior).

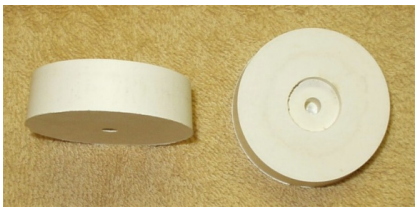
White rubber cylindrical plug with central hole
For different uses.

Item 4526 Dimensions: 20 mms. diameter - 20 mms. Height

Item 4527 Dimensions: 20 mms. diameter - 12 mms. height



Item 4528 **Brown rubber cylindrical plug anti-vibration.**
Dimensions: 15 mms. diameter - 9 mms. height.



Item 4530 **White rubber cylindrical plug with central hole fitted on chromed tube supporting engine room hatches.**
Dimensions: 59 mms. diameter 18 mms. height (Riva Aquarama).

Item 4531 **White rubber pipe for metal spacer fitted on Riva bathing ladder.**

When you order, please specify the length from hole to hole.

Item 5084 **Chromed brass telescopic hatch adjuster, for Riva 20' Bahia Mar and 25' Sport Fisherman.**

Item 5087 **Chromed brass dinette table system support, suitable for Riva 25’ Sport Fisherman.**

Item 5088 **Complete throttle lever for Riva wooden boats.**

Item 5089 **Control gear lever, for all Riva wooden boats.**

Forward – Neutral – Reverse drop set (F-N-R), for control gear lever *(item 5089 for all Riva wooden boats).*

Item 5090 F-N-R set *(3 pcs).*

RPM counter mechanical transmission.

Item 5091 Length: mts. 3,20 for Riva Junior – Rudy. VDO rpm counter.
Item 5091/A Length: mts. 3,20 for Riva Junior Steward Warner rpm counter.
Item 5091/B Length: mts. 4,20 for Steward Warner rpm counter with Chrysler or Chris Craft engine.
Item 5091/C Length: mts. 5,10 for Steward Warner rpm counter with Chrysler or Chris Craft engine.
(Other size upon request)

Pneumatic fender covers, made of heavy synthetic fabrics, high resistance, for "Polyform" fender, with or without logo.

Item 5093 Designed for F3 Polyform 20-23 cms. Ø / 65-81 cms. length.
Item 5093/A Designed for F2 Polyform 20-23 cms. Ø / 50-67 cms. length.
Item 5093/B Designed for F1 Polyform 13-15 cms. Ø /50-67 cms. length.
Item 5093/A1 Designed for A1 Ø 28
Item 5093/A2 Designed for A2 Ø 39
Item 5093/A3 Designed for A3 Ø 47
Item 5093/X White rope 10 mms. - 2 mts. with arresting knot for fender.
Item 5093/Y As item 5093/X but blue color.

Item 5095 **Stainless-steel spring wheel for anchor rope rolling up.** *(Riva Aquarama).*

Chromed brass knobs for flooring panels lifting up.

Item 5096 Fixing with studs - plate dimensions: 70 X 48 mms.

Item 5096/A Fixing with screws – plate dimensions: 64 X 48 mms.

Item 5096/B Black rubber gasket, spare part for item 5096 – 5096/A

Riva chromed brass knobs for flooring panels lifting up.

Item 5096/C Fixing with studs – fungiform shape.

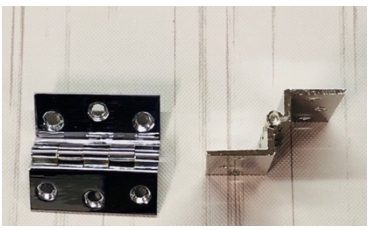
Item 5096/D Fixing with studs – overturning model.

Special hinge suitable for engine cover and seats.

Item 5097 Chromed brass hinges.

Item 5097/A Stainless-steel slotted countersunk head screws – dimensions: 8MA X 120 mms. – for fixing hinge item 5097 on seats of Riva Aquarama.

Item 5097/B As item 5097/A but dimensions: 6MA X 120 mms.

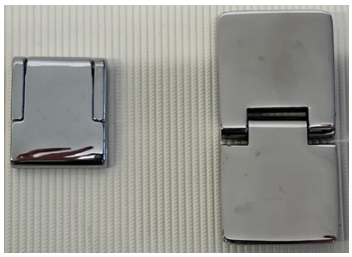


Chromed brass special hinge.

Item 5098/A "L" formed hinge *(size 40 X 40 mms.).*

Item 5098/B "L" formed hinge *(size 35 X 35 mms.).*

Item 5098/C Chromed brass hinge for Aquariva



Hinges for Aquariva

Item 5098/D Measures: 33x27 mms.

Item 5098/E Measures: 70x34 mms.

Item 5099 **Chromed brass push lock for door in fore cabin.**

Item 5099/A **Plastic Aquariva lock doors with chromed brass knob.**

Sound insulating panel for engine room.

Item: 5204 Insulating panel - beige colour - for Riva wooden boats.
Dimensions: 10 mms. thickness 245 cms. highness 115 cms. width

Item: 5205 Insulating panel as item 5204 but *20 mms. thickness.*

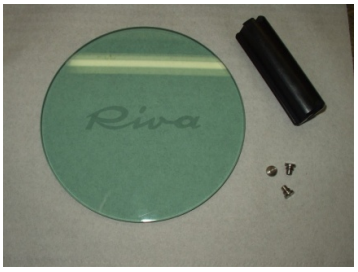
Nylon hooks for fixing convertible top on windshield of Riva 20' Bahia Mar - 25'Sport Fisherman - Saint Tropez.

Item 5210 Little unit.

Item 5211 Big unit.

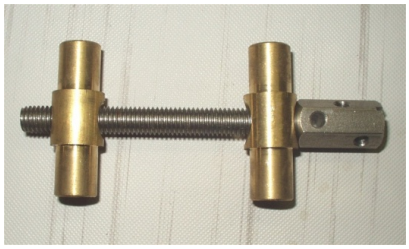
Item 5215 **PVC reinforced hose 6 X 12 mms. diameter for windshield wiper vacuum motor** *(Riva wooden boats).*

Item 5220 **Brass chromed special under deck nut, fixing Aquarama's windshield frame.**



Sky-light spare parts ***(on fore deck of Riva Aquarama).***

Item 5230 Stainless-steel special screw.
Item 5231 Plastic handle.
Item 5232 Green glass with Riva logo.



Fixing system of Riva fuel tank.

Item 5235 Only tie beam

Item 5236 Stainless steel belt with fixing system.
When you order, please specify the length.

Item 5237 **Stainless-steel special screw for steering system** *(Riva wooden boats).*

Item 5238 **Riva Rudy steering system.**

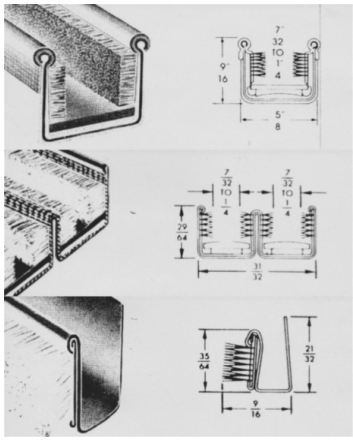
Item 5239 **Riva Aquarama Special Saint Tropez hydraulic steering system.**

Item 5239/A Riva 25' Sport Fisherman *(double station)* **hydraulic steering system.**

Item 5240 **Plastic arrestors for side sliding windows of Riva 25' Sport Fisherman.**

(Sold in pair)

Item 5240/A Sliding glass chromed brass lock.



Genuine American "Stand pro drive" for sliding windows, in stainless-steel AISI 316. *(Supplied in rods 2,44 meters long).*

Item 5241 Single drive.
Dimensions: 15 mms. width, 14 mms. height.

Item 5242 Double drive.
Dimensions: 25 mms. width, 14 mms. height.

Item 5243 Air tight brush fitted for the side closing between two sliding glasses.
Dimensions: 14 mms. width, 17 mms. height.

Sliding door, made of mahogany wood, colored to match interiors of Riva 25' Sport Fisherman.

Item 5245 Suitable for Riva 25' Sport Fisherman.

Item 5246 Suitable for Riva 20' Bahia Mar.

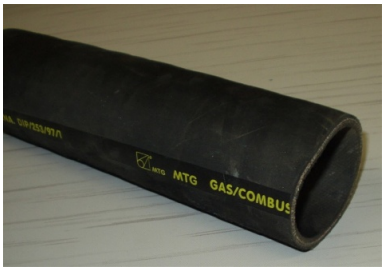
Item 5247 Suitable for Riva Saint Tropez.

Item 5304 **High pressure rubber hose** *(100 Atms.)* **1/4" internal diameter 16 mms. external diameter.**

Item 5308 **Chromed brass fitting for 1/4" rubber pipes** *(item 5304)* **standard for Riva trim tabs system.**

Fuel hoses made accordingly to EC rules - R.I.NA. certification: ISO 7840, A1 class.

Item 5501 8 X 19 mms. diameter
Item 5502 10 X 21 mms. diameter
Item 5503 12 X 24 mms. diameter
Item 5505 16 X 28 mms. diameter
Item 5509 38 X 52 mms. diameter
Item 5510 50 X 67 mms. diameter
Item 5511 60 X 77 mms. diameter
Item 5512 80 X 98 mms. diameter

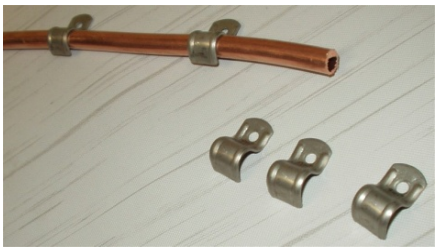


Engine exhaust rubber hoses without steel spiral reinforcement EC and R.I.NA. certified.

Item 5520 60 X 70 mms. diameter
Item 5521 70 X 82 mms. diameter
Item 5522 80 X 94 mms. diameter
Item 5523 90 X 104 mms. diameter
Item 5524 100 X 114 mms. diameter

Engine exhaust rubber hoses with steel spiral reinforcement EC and R.I.NA. certified.

Item 5521/A	70 mms. diameter
Item 5522/A	80 mms. diameter
Item 5523/A	90 mms. diameter
Item 5524/A	101 mms. diameter



Copper hose for fuel line and hydraulic steering system.

Item 5550	Dimensions: 10 X 8 mms. diameter.
Item 5551	Dimensions: 8 X 6 mms. diameter.
Item 5560	Stainless-steel staples for 10 mms. diameter copper hose.

Rubber flexible hose, stainless-steel external protection net for Riva/Crusader engine.

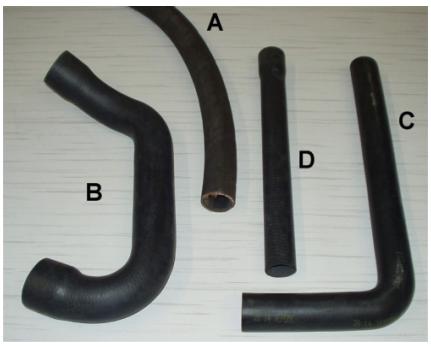
Item 5562	Length: 35 cms.
Item 5564	Length: 64 cms.
Item 5566	Conic nut for flexible hoses.
Item 5567	Conic fitting for flexible hoses.

Engine room air blower spare parts.

Item 5570	Ventilation PVC flexible hose for blower *(item: 4240).*
Item 5572	Plastic fitting for hose item 5570, connection to blower.

Water hot reinforced rubber hose.

Item 5573	Ø 20 X 26 mm.
Item 5573/A	Ø 25 X 35 mm.



Preformed rubber hoses *(engine water cooling system).*

Item 5574 Type (A) 30 mms. diameter with steel spiral reinforcement.
Item 5575 Type (B) preformed for Riva/Crusader engine models 180 - 350 HP - from recirculation pump to thermostat housing.
Item 5576 Type (C) "L" shaped, dimensions: 400 X 200 mms. - 28 mms. diameter for Riva/Crusader engine models 180-350 HP - from sea water pump to thermostat housing.
Item 5577 Type (D) straight, length: 350 mms. – one top Ø: 26 mms. opposite top Ø: 30 mms. - from thermostat housing to exhaust manifold.

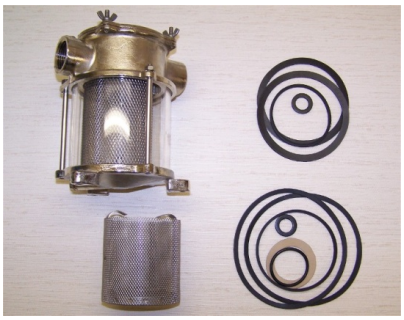
Preformed rubber hose connecting water filter to Crusader engine.

Item 5578 Type A - 950 X 250 X 130 Ø 30 mms.
Item 5579 Type B - 60 X 70 Ø 19 mms.
Item 5579/A Type C - 410 X 300 Ø 25 - 30 mms.

Fuel line rubber hose – CE and R.I.NA. approved.

Item 5580 Length: 11 cms. - one top 1/4" NPT thread, opposite top connecting 10 mms. diameter copper pipe.
Item 5582 Same as item 5580 – length: 22 cms.
Item 5584 Same as item 5580 – length: 35 cms.
Item 5586 Same as item 5580 – length: 55 cms.
Item 5585 Length: 35 cms. - one top 1/4" NPT thread, 3/8" female opposite top.
Item 5587 Same as item 5585 – length: 55 cms.
(Other dimensions upon request)

Item 5703 **Spare gasket kit for filter unit as in the picture**



Water filter unit, and spare parts.

Item 5720 Chromed brass water filter with transparent plexiglass container 1" thread.

Item 5721 Filter gasket set for item 5720 - 115 mms. diameter container.

Item 5721/A Water filter gasket set - 140 mms. diameter container
(Genuine Riva water filter unit).

Chromed copper bowl for genuine Riva fuel filter unit.

Item 5735 Large container: 95 mms. diameter – 85 mms. high.

Item 5736 Small container: 65 mms. diameter – 80 mms. high.

Item 5739 **Chromed brass water filter plate for genuine Riva filter with valve incorporated.**

Item 5739/A **Chromed brass fuel valve plate for Riva Aquarama.**

Transparent plexiglass container for genuine Riva water filter unit.

Item 5740 Dimensions: 140 mms. diameter - 85 mms. high - 5 mms. thick
Item 5742 Dimensions: 115 mms. diameter - 85 mms. high - 5 mms. thick
Item 5744 Dimensions: 115 mms. diameter - 65 mms. high - 5 mms. thick
Item 5745 Dimensions: 140 mms. diameter - 145 mms. high - 5 mms. thick

---

Chromed brass water shut-off ball valve with stainless-steel handle *(female-female).*

Item 5750 3/8” thread
Item 5751 1/2” thread
Item 5752 3/4” thread
Item 5753 1” thread
Item 5754 1” 1/4 thread
Item 5755 1” 1/2 thread

(Other dimensions upon request)

Brass male hose connection.

Item 5759 3/8” thread - 15 mms. diameter.
Item 5760 1/2” thread - 20 mms. diameter.
Item 5761 3/4” thread - 20 - 25 mms. diameter.
Item 5762 3/4” thread - 30 mms. diameter.
Item 5763 1” thread - 30 mms. diameter.
Item 5766 1”1/4 thread - 40 mms. diameter.
Item 5767 1” 1/2 thread - 45 mms. diameter.
(Other dimensions upon request)

Brass “T” pipe connection.

Item 6000 1/2” thread.
Item 6001 3/4” thread.
Item 6002 1” thread.
Item 6003 1”1/4 thread.

(Other dimensions upon request)

Brass 90° pipe elbow connection *(female - female).*

Item 6004 1/2” thread.
Item 6005 3/4” thread.
Item 6006 1” thread.
Item 6007 1” 1/4 thread.

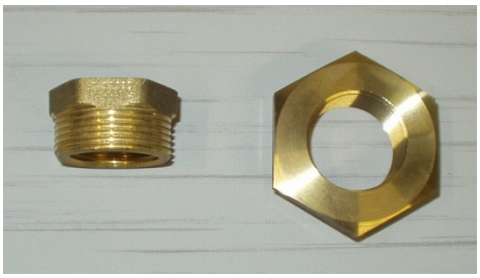
(Other dimensions upon request)

Brass 90° pipe elbow connection *(male - female).*

Item 6009 1/2” thread.
Item 6010 3/4” thread.
Item 6011 1” thread.
Item 6012 1” 1/4 thread.
Item 6013 1” 1/2 thread.

(Other dimensions upon request)

Brass pipe coupling reducer *(male - female).*



Item 6020 3/8” M - 1/4” F thread.
Item 6021 1/2” M - 1/4” F thread.
Item 6022 1/2” M - 3/8” F thread.
Item 6023 3/4” M - 1/2” F thread.
Item 6024 1” M - 3/4” F thread.
Item 6025 1”1/4 M - 1” F thread.
Item 6026 1”1/2 M - 1”1/4 F thread.
Item 6027 1”1/2 M - 1”1/8 F thread.

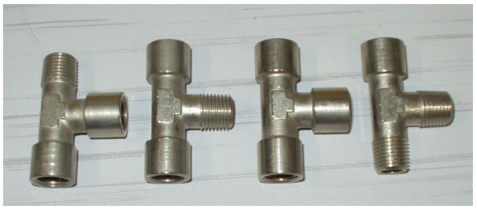
Chromed brass pressure connection for copper pipe, suitable for fuel line and hydraulic steering system.

Item 6035 For hose 8 mms. external diameter.

Item 6036 For hose 10 mms. external diameter.

Item 6037 For hose 12 mms. external diameter.

Chromed brass “T” pipe *(F = female– M = male).*



Item 6040 1/4” F.M.M. thread.
Item 6045 1/4” F.F.M. thread.
Item 6060 1/4” F.M.F. thread.
Item 6065 1/4” F.F.F. thread.
Item 6066 3/8” F.F.F. thread.

Chromed brass 90° pipe elbow connection
(F = female– M = male).

Item 6050 1/4” M.F. thread.
Item 6051 3/8” M.F. thread.
Item 6055 1/4” F.F. thread.
Item 6056 3/8” F.F. thread.

Double chromed brass nipples

Item 6070 1/4” thread - female.

Item 6075 1/4” thread - male.

Chromed brass pressure connection for copper pipe, suitable for fuel line and hydraulic steering system.

Item 6080 1/4” thread for hose 8 mms. external diameter.
Item 6081 1/4” thread for hose 10 mms. external diameter.
Item 6082 3/8” thread for hose 10 mms. external diameter.

Item 6090 Chromed brass conic nut - 3/8” thread - 10 mms. diameter for fixing item 6092 *(ogive).*

Item 6092 Brass conic ogive for copper pipe sealing 10 mms. external diameter.

Chromed brass male hose connection suitable for fuel line.

Item 6095 Conic - 1/4” thread - for 8 mms. diameter hose.

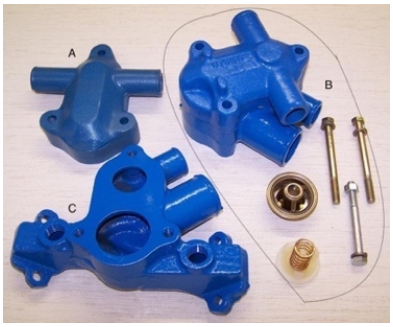
Item 6096 Cylindrical - 3/8” thread - for 8 mms. diameter hose.

Brass pipe caps *(male thread).*

Item 6101 1/8” thread.
Item 6102 1/4” thread.
Item 6103 3/8” thread.
Item 6104 1/2” thread.
Item 6105 3/4” thread.

Double brass nipples *(male–male).*

Item 6130 3/8” thread.
Item 6131 1/2” thread.
Item 6132 3/4” thread.
Item 6133 1” thread.
Item 6134 1”1/4 thread.
Item 6135 1”1/2 thread.



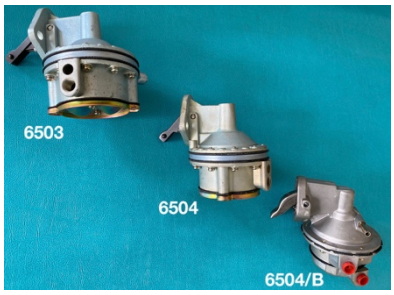
Item 6500 Aluminum thermostat housing cover for all Riva/Crusader 180 > 350 HP engines. **A**

Item 6500/B Thermostat housing for all Riva/Crusader 180 > 350 HP engines. **B**

Item 6500/C Thermostat housing - low profiled - for all Riva/Crusader 210 HP engines. **C**

Item 6501 143° thermostat for all Riva/Crusader 180 > 350 HP engines.

Item 6502 Water outlet nylon valve for all Riva/Crusader 180 > 350 HP engines *(fitted into thermostat housing)*



Engine mechanical fuel pump.

Item 6503 Big block, opposing attacks.

Item 6504 Small block

Item 6504/B Designed for Chris Craft 283

Item 6503/B **Crusader engine electric fuel pump.**

Oil Filter cartridges.

Item 6505 For Chris Craft 283 - 430 - 431 – Chrysler engines.

Item 6506 For Riva/Crusader 180 > 350 HP engines.

Item 6507 For Riva/Crusader 210 HP engines *(Low type).*

Distributor caps.

Item 6510 For Riva/Crusader 180 > 350 HP engines.

Item 6511 For Chris Craft 283 engines.

Item 6512 For Riva/Crusader 180 > 350 HP engines. with Delco electronic ignition

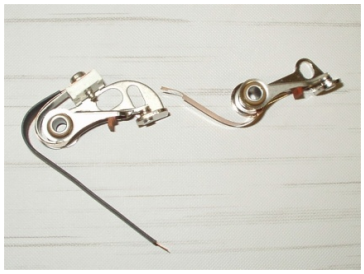
---

Rotors.

Item 6513 For Riva/Crusader 180 > 350 HP engines.

Item 6514 For Chris Craft 283 engines.

Item 6515 **Rotors for Delco electronic ignition**



Contact points set.

Item 6516 For Chris Craft 283 engines – V8 cylinders.

Item 6516/A For Chris Craft in line 6 cylinders engines.

Item 6517 For Riva/Crusader 180 > 350 HP engines.

Condenser.

Item 6519 For Chris Craft 283 engines.

Item 6520 For Riva/Crusader 180 > 350 HP engines.

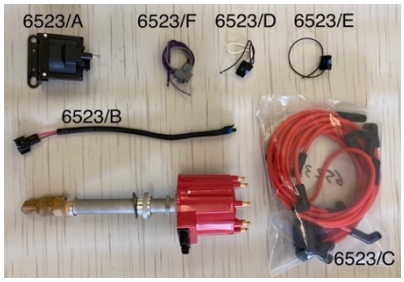
Item 6521 **Coil with resistor**

Item 6522 **Coil without resistor**

Electronic ignition kit.

Item 6522/A Mallory distributor kit.

Item 6522/B Prestolite distributor kit.

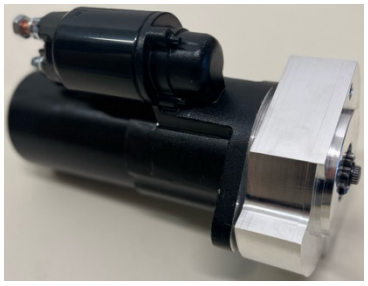


Delco electronic ignition for all Crusader engine.

Item 6523 Complete distributor set.
Item 6523/A Coil for electronical ignition
Item 6523/B Electronic distributor coil connection cable
Item 6523/C Electronic ignition spark plug cable
Item 6523/D Connection cables
Item 6523/E Connection cables
Item 6523/F Coil cable

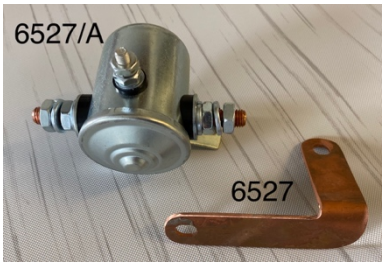
Champion spark plug.

Item 6524 For Chrysler M80 *(RJ14YC)*
Item 6524/A For Chris Craft 283 and Crusader *(J6C)*
Item 6524/B For Crusader 320 HP. *(NGK B7ES)*
Item 6524/C For Crusader *(RV8C)*
Item 6524/D For Chris Craft six cylinder *(J8C)*



Starter for Crusader and Chris Craft 283 engines.

Item 6525 RHR unit for Riva/Crusader engine
Item 6525/A LHR unit for C.C. 283 engine
Item 6526 LHR unit for Riva/Crusader
Item 6526/A RHR unit for C.C. 283 engine



Item 6527 **Copper plate, leading power from magnetic switch to starter.**

Item 6527/A Starter relay

Item 6528 **Exhausted water waste junction with plug from engine block Crusader.**

Item 6529 **Flywheel ring gear for Crusader engine 180 > 350 hp.**

Riva/Crusader engine belts.

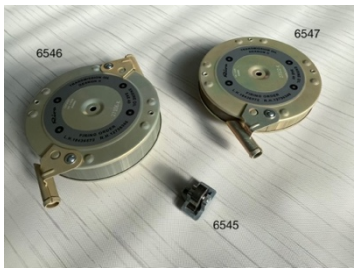
Item 6530 For water pump - 180 – 190 HP model.
Item 6531 For alternator - 210 HP model.
Item 6532 For water pump - 220 HP model.
Item 6533 For alternator - 180 - 190 - 210 - 220 HP model.
Item 6534 For water pump - 320 - 350 HP model.
Item 6535 For alternator - 320 - 350 HP model.
Item 6537 For alternator - Chris Craft 283 engine.

Engine identification plates.

Item 6540 For Crusader engines.

Item 6541/DX For Chris Craft 283 RH engines.

Item 6541/SX For Chris Craft 283 LH engines.



Rochester carburetor spare parts.

Item 6545 Choke ass'y

Item 6546 Flame arrestor 4 BBL carburetor

Item 6547 Flame arrestor for 2 BBL carburetor

Item 6548/A **Filter for Rochester carburetor**

Crusader carburetor repair kit *(Rochester).*

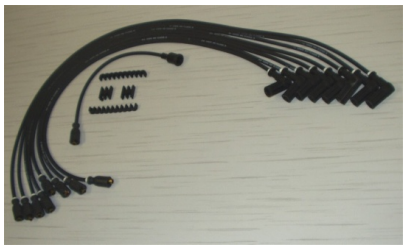
Item 6549 For Chrysler M80
Item 6550 For 180 - 190 HP engines.
Item 6551 For 220 HP - Chris Craft 283 engines.
Item 6552 For 320 - 350 HP engines.

Item 6553 **Engine room self-stick labels set.**

Self-stick labels for Riva/Crusader 180 - 190 - 210 - 220 - 320 - 350 HP engines.

Item 6554 For carburetor *(round shape)*
Item 6555 Combined model
Item 6555 Combined model for Chrysler M80.
Item 6556 Separated model big part.
Item 6556/A Separated model small part.

(When you order, please specify the engine model)



Marine spark plug wire set.

Item 6557 For Crusader 180 - 190 HP engines.
Item 6558 For Crusader 210 - 220 HP engines.
Item 6559 For Crusader 320 - 350 HP engines.
Item 6560 For Chris Craft 283. engines.
Item 6561 For Chris Craft 6 cyl. 120 hp. engines.
Item 6561/A For Chris Craft 6 cyl. 156 hp. engines.
Item 6561/B For Chrysler M80 engines.

Alarm sending unit for Riva Crusader engine.

Item 6562 Low oil pressure sending unit 1/8” NPT.

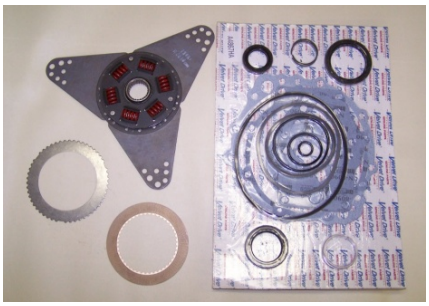
Item 6563 High water temperature sending unit ½” NPT.

Item 6563/A **Engine water temperature and oil pressure acoustic alarm kit supplied with sending units.**

Gear “on work” warning sending unit for Velvet drive transmission.

Item 6464 Complete kit.

Item 6565 Micro-switch, little thread.



Velvet drive transmission spare parts.

Item 6566	Complete gaskets set and oil seal.
Item 6567	Damper.
Item 6567/A	Damper for 320-350 Hp. engines
Item 6568/A	Steel clutch plate.
Item 6568/B	Friction clutch plate.

Item 6566/A **Gasket set + Velvet clutch rings set**

Item 6569 **Riva/Crusader engines Alternator 12 V 70 amp. with tension regulator.**

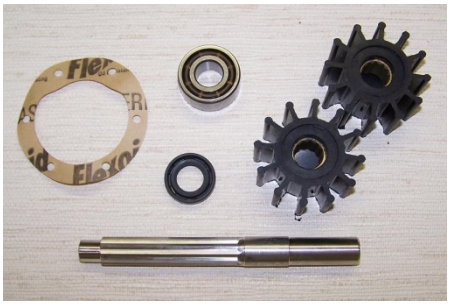
DELCO electronic ignition spark plugs cables

Item 6570 Elbow connection

Item 6571 Straight connection

Rubber impeller for sea water pump *(Sherwood).*

Item 6580	For Crusader 180 > 350 HP engines.
Item 6580/A	For Yanmar 8LV-370 engines *(Aquariva).*
Item 6581	For Chris Craft 283 engines.
Item 6581/B	For Chris Craft 283 engines with Sherwood pump item 6587.
Item 6581/O	As item 6581/B, but original
Item 6582	For Chrysler M80 engines.



Item 6583 **Sea water pump repair kit for pump manufactured by Ancor.** *(Fitted on some Chris Craft 283 engines.)*

***Note**: Ancor pump has mainly replaced the old Sherwood pump which spare parts were no longer available starting from 1980. Ancor pump is a modification to the original Sherwood version planned and built by Riva service department.*

Spare parts for Sherwood sea water pump item: 6583.

Item 6583/A Complete repair kit for sea water pump item 6593
Item 6583/B Reparation set for Sherwood C.C. 283 water pump
Item 6584 Seal and seat assembly
Item 6585 Bearing
Item 6586 Stainless-steel shaft.
Item 6586/A Bushing shaft for cover pump.
See item 6580 for the impeller.

Re-circulating water pump for Riva/Crusader engines.

Item 6590 For engines 180 > 270 HP model.

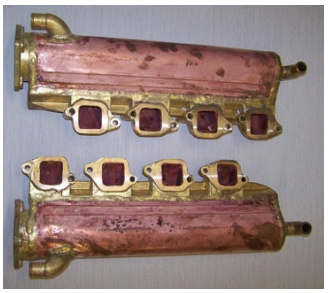
Item 6592 For engines 320 - 350 HP model.

Item 6593 **Sherwood sea water pump - 1” - for all Riva Crusader engines.**

Single or double link timing chain for engine.

Item 6595 For Chris Craft 283 engines.
Item 6596 For Chrysler M 80 engines - single link.
Item 6597 For Chrysler M 80 engines - double link.

Item 6600 **Exhaust manifold CC 283**



Item 6600/A **Genuine Riva copper manifold for Crusader 320/350 engines. Sold in pair, not chromed. Chrome plating on request.**

Item 6601 **Couple of rear bronze coupling flange fitted on exhaust manifold of Chris Craft 283 engine.**

Item 6603 **Couple of middle bronze coupling flange fitted on exhaust manifold of Chris Craft 283 engine.**

Item 6605 **Couple of bronze front cover fitted on exhaust manifold of Chris Craft 283 engine.**

Item 6607 **Stainless steel Allen screw for fixing exhaust pipes size 3/8" X 1"1/4.**

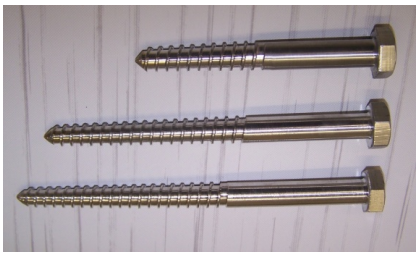
Item 6607/A **Stainless steel Allen screw for fixing exhaust pipes size 10 X 30 mms.**

Item 6609 **Heat exchanger, small type**

Item 6610 **Heat exchanger, big type**

Engine adjustable mount - chromed brass and rubber.

Item 6612 For Riva/Crusader engines.
Item 6614 For Chris Craft 283 engines.
Item 6616 For Chrysler M80 engines.



Stainless-steel special bolts fixing engine mount on hull.

Item 6617 Ø 13 X 110 mms.
Item 6618 Ø 13 X 160 mms.
Item 6619 Ø 13 X 180 mms.

Riva/Crusader engine rocker cover (chromed) with rubber rings and plate washers.

Item 6640 Big block 320 - 350 Hp.

Crusader engine rocker cover.

Item 6641 For 180/270 Hp. engines

Item 6642 **Washer for rocker cover 320/350 HP.**

Item 6643 **Washer for rocker cover 180/270 HP.**

Item 6642/A Grommet vent valve, big type

Item 6643/A Grommet vent valve, small type

Item 6642/B Breather elbow

Riva/Crusader engine distributor chain carter.

Item 6644 Small block 180 > 270 hp.

Item 6645 Big block 320 - 350 Hp.

Distribution oil seal front cover for Crusader engines.

Item 6644/A Small block 180 > 270 hp.

Item 6644/B Big block 320 - 350 hp.

Crankshaft oil seal

Item 6646 5,7 liters RH (2 pieces)
Item 6646/A 5,7 liters LH (2 pieces)
Item 6646/B 5,7 liters RH (1 piece)
Item 6646/C 5,7 liters LH (1 piece)
Item 6647 7,4 liters RH (2 pieces)
Item 6647/A 7,4 liters LH (2 pieces)
Item 6647/B 7,4 liters RH (1 piece)
Item 6647/C 7,4 liters LH (1 piece)

Seals.

Item 6652 Front seal for Paragon transmission HF7

Item 6653 Rear seal for Paragon transmission HF7

Item 6659 **V-drive oil seal**

Cable sheath holder for gear/throttle cables

Item 6660	Lever for Crusader transmission control
Item 6661	Cable sheath holder for Crusader gear cable
Item 6662	Cable sheath holder for Crusader throttle cable
Item 6664	Cable sheath holder for Crist Craft throttle cable
Item 6665	Lever for Christ Craft transmission control

Pulley

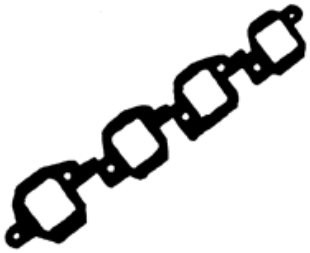
Item 6670	For crankshaft
Item 6671	For sea water pump

Item 6675	Set of caps for small block engine
Item 6676	Set of caps for big block engine

Steel reinforced screw for engine.

VTBR3/8X1-1/4	Allen screw head 3/8" X 1"1/4. *(Copper manifolds)*
VTBR3/8X1-1/2	Allen screw head 3/8" X 3"1/2. *(Copper manifolds)*

Item 7001 **Exhaust manifold gasket for Riva/Crusader 180 > 220 Hp and Chris Craft 283 engines.**

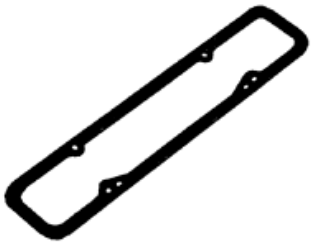


Item 7002 **Exhaust manifold gasket for Riva/Crusader 320 / 350 HP engines.**

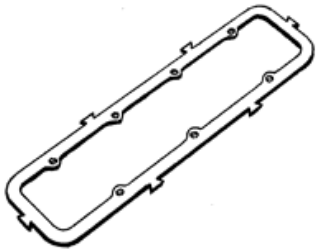
Item 7003 **Intake manifold gasket for Riva/Crusader and Chris Craft engines.** *(Closed type)*

Item 7004 **Exhaust riser gasket for Riva/Crusader 180 > 350 HP engines.**

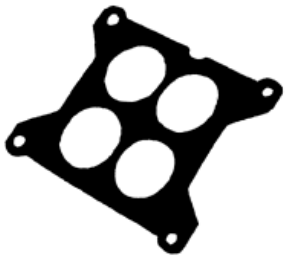
Item 7005 **Exhaust pipe gasket for Riva/Chris Craft 283 engines.**



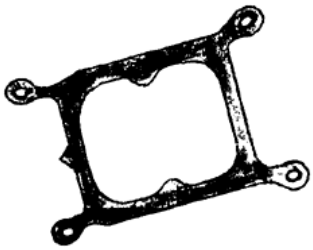
Item 7006 **Cylinder head cover gasket for Riva/Crusader 180 > 220 Hp and Chris Craft 283 engines.**



Item 7007 **Cylinder head cover gasket for Riva/Crusader 320 > 350 HP engines.**



Item 7008 **Carburetor fitting gasket for Riva/Crusader 180 > 220 HP engines.** *(Rochester)*

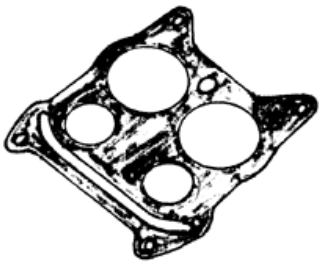


Item 7009 **Carburetor fitting gasket for Chris Craft 283 engines.** *(Rochester)*

Item 7010 **Internal carburetor gasket for Riva/Crusader 180 > 220 HP and Chris Craft 283 engines** *(Rochester).*

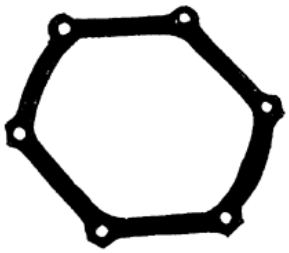
Item 7011 **Carburetor housing gasket for Riva/Crusader 320 > 350 HP engines.** *(Rochester)*

Item 7012 **Carburetor fitting blind gasket for Riva/Crusader 320 > 350 HP engines. type 1** *(Rochester).*



Item 7013 **Carburetor fitting gasket with window for Riva/Crusader 320 > 350 HP engines type 2** *(Rochester).*

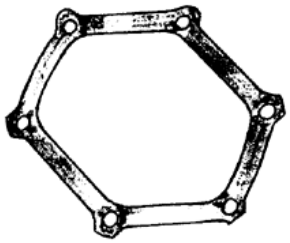
Item 7014 **Thermostat cover gasket for Riva/Crusader 180 > 350 HP engines.**



Item 7015 **Re-circulating pump cover gasket for Riva/Crusader 180 > 220 HP and Chris Craft 283 engines.**

Item 7016 **Re-circulating water pump gasket – fitting to block – for Riva/Crusader 320 > 350 HP engines.**

Item 7017 **Re-circulating water pump gasket – fitting to block – for Riva/Crusader 180 > 220 HP and Chris Craft 283 engines.**



Item 7018 **Re-circulating pump cover gasket for Riva/Crusader 320 - 350 HP engines.**

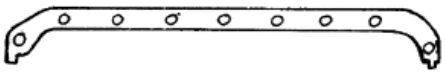
Item 7019 **Thermostat housing to intake manifold gasket for Riva/Crusader 180 > 350 HP engines, thickness: 2 mms.**

Item 7020 **Sherwood sea water pump cover gasket for Riva/Crusader 180 > 350 HP engines.**

Oil pan gasket.

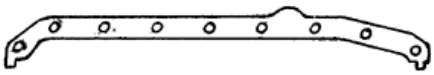
Item 7021 For Riva/Crusader 320 / 350 HP engines. *(only plate gasket).*

Item 7021/A For Riva/Crusader 320 / 350 HP engines. *(Plate gasket + rubber gasket).*

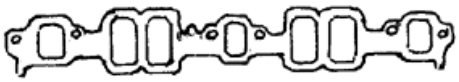


Oil pan gasket.

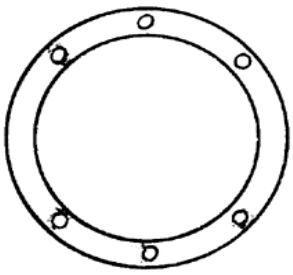
Item 7022 For Riva/Crusader 180 > 220 HP engines. *(only plate gasket).*



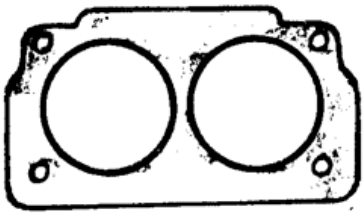
Item 7022/A For Riva/Crusader from 180 to 220 HP engines. *(Plate gasket + rubber gasket).*



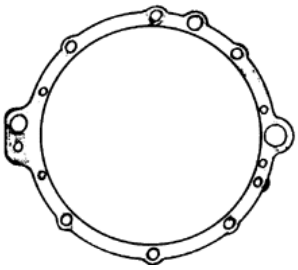
Item 7023 **Intake manifold gasket for Riva/Crusader 190 > 220 HP engines**. *(open type)*



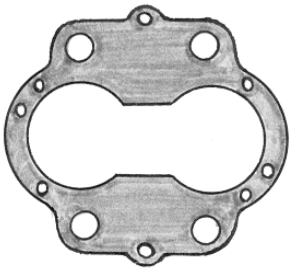
Item 7024 **Paragon transmission to engine block gasket for Chris Craft 283 engines.**



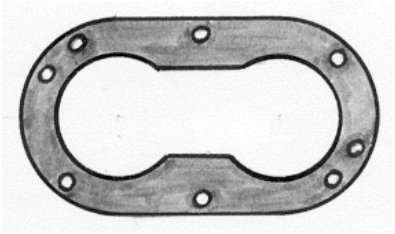
Item 7025 **Carburetor fitting gasket for Riva/Crusader 180 > 190 HP engines.**
(Rochester)



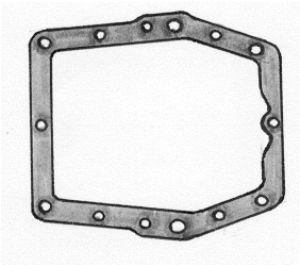
Item 7026 **Borg – Warner transmission to block gasket for Riva/Crusader 180 > 350 HP engines.**



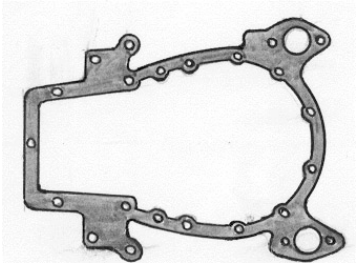
Item 7027 **Water pump upper cover gasket for Chris Craft 283 engines.**



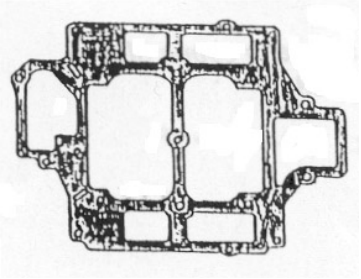
Item 7028 **Water pump lower cover gasket for Chris Craft 283 engines.**



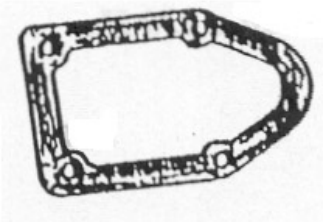
Item 7029 **Paragon transmission front flange gasket for Chris Craft 283 engines.**



Item 7030 **Rear support gasket for Chris Craft 283 engines.**

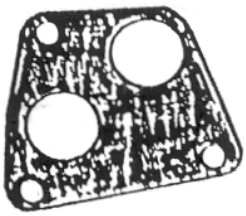


Item 7031 **Carburetor body gasket for Chris Craft 283 engines.**

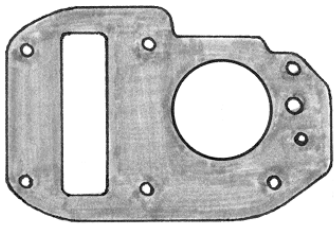


Item 7032 **Support fuel pump to block gasket for Riva/Crusader and Chris Craft 283 engines.**

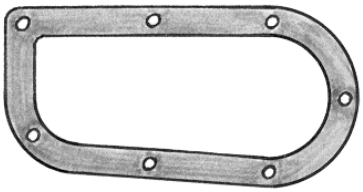
Item 7033 **Fuel pump gasket – fitting to engine block for Riva/Crusader and Chris Craft 283 engines.**



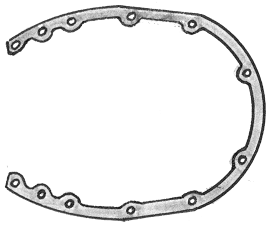
Item 7034 **Oil pump gasket – fitting to engine block for Riva/Crusader 180 > 350 HP engines.**



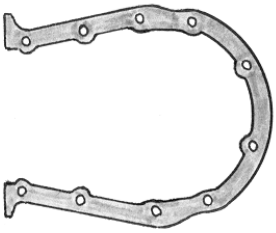
Item 7035 **Paragon transmission cover gasket for Chris Craft 283 engines.**



Item 7036 **Oil pan inspection door gasket for Chris Craft 283 engine.**



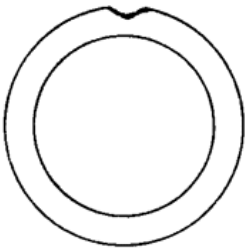
Item 7037 **Distribution front cover gasket for Riva/Crusader 180 > 220 HP engines.**



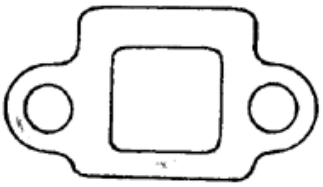
Item 7038 **Distribution front cover gasket for Riva/Crusader 320 / 350 HP engines.**

Item 7039 **Oil cooler gasket for Chris Craft 283 engine.**

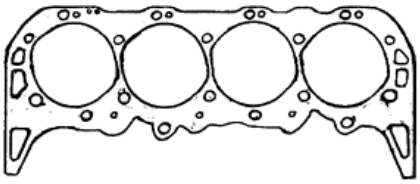
Item 7040 **Oil filter adapter gasket for Riva/Crusader 180 > 350 HP engines.**



Item 7041 **Distributor gasket for Riva/Crusader 180 > 350 Hp and Chris Craft 283 engines.**



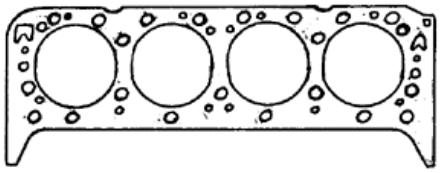
Item 7042 **Low profile thermostat housing gasket for Riva/Crusader 180 > 220 HP engines.**



Item 7043 **Cylinder head gasket for Riva/Crusader 320 / 350 HP engines.**

Item 7044 **Cylinder head gasket for GM 6 cylinders**

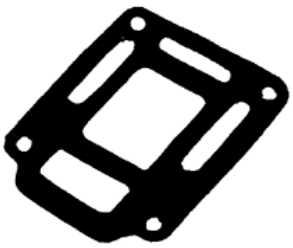
Item 7044/A **Cylinder head gasket for GM 4 cylinders**



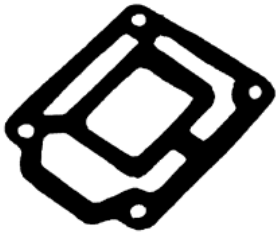
Cylinder head gasket for Riva/Crusader and Chris Craft 283 engines.

Item 7045 5000 cc. for CC 283 and 180-190 HP. Crusader engines

Item 7046 5700 cc. for 210/220/270 HP. Crusader engines

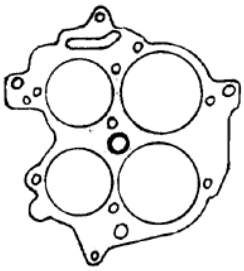


Item 7047 **Exhaust manifold front and middle flange gasket for Chris Craft 283 engine.**



Item 7048 **Exhaust manifold rear flange gasket for Chris Craft 283 engine.**

Item 7049 **Intake manifold gasket for Riva/Crusader 320 / 350 HP engines.**



Item 7050 **Carburetor internal gasket for Riva/Crusader 210 > 220 HP and Chris Craft 283 engines.**

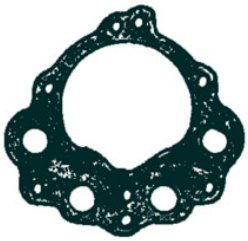
Item 7051 **Carburetor internal gasket for Riva/Crusader 180 > 190 HP engines.**

Item 7052 **Carburetor internal gasket for Riva/Crusader 180 > 220 HP engines.**

Item 7053 **Carburetor internal gasket for Riva/Crusader 210 > 220 Hp and Chris Craft 283 engines.**

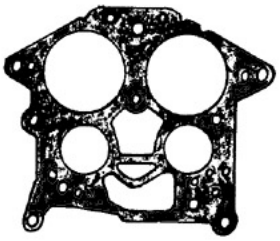
Item 7054 **Carburetor internal gasket for Riva/Crusader 180 > 190 HP engines.**

Item 7055 **Hose adaptor water gasket for Chris Craft 283 engine.**

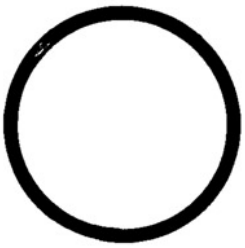


Item 7056 **Water pump cover gasket for Chris Craft 283 engine.**

Item 7057 **Alarm sending unit fitting gasket for Riva/Crusader 180 > 350 HP engines.**

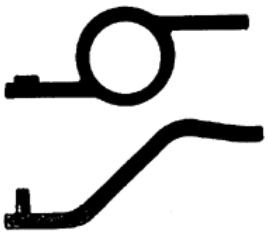


Item 7058 **Carburetor pan gasket for Riva/Crusader 320 / 350 HP engines.**



Item 7059 **Adapter remote oil filter rubber gasket for Riva/Crusader 180 > 350 HP engines.**

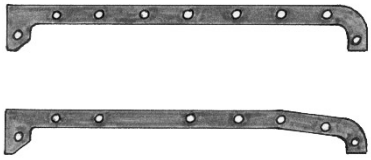
Item 7060 **Front and rear intake manifold gasket for Riva/Crusader 320 / 350 HP engines.**



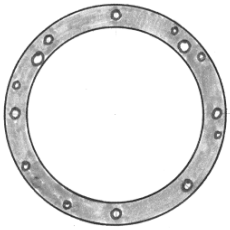
Item 7061 **Front and rear intake manifold gasket for Riva/Crusader 180 > 220 HP engines.**

Item 7062 **Thermostat housing to intake manifold gasket for Riva/Crusader 180 > 350 HP engines. thickness: 5 mms.**

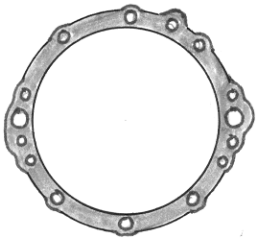
Item 7063 **Borg Warner transmission gasket.**



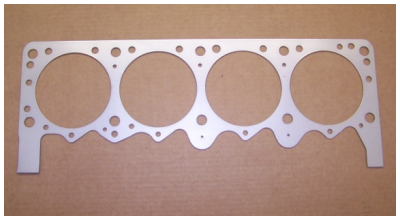
Item 7064 **Oil pan gasket for Chris Craft 283 engine.**



Item 7065 **Paragon transmission gasket for Chris Craft 283 engine.**

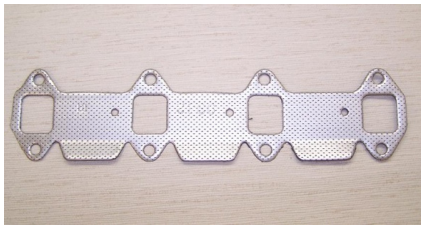


Item 7066 **Borg Warner transmission gasket.**

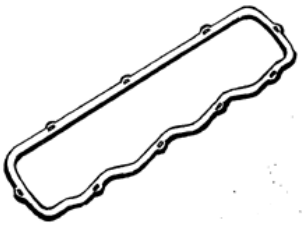


Item 7074 **Cylinder head gasket for Chrysler M80 engines.**

Item 7075 **Exhaust pipe gasket for Chrysler M80 engine.**

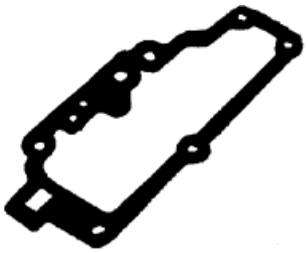


Item 7076 **Exhaust manifold gasket for Chrysler M80 engine.**



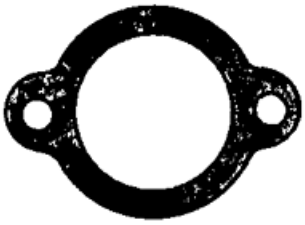
Item 7077 **Cylinder head cover gasket for Chrysler M80 engine.**

Item 7078 **Carburetor housing gasket for Chris Craft 120 HP engine. 6 cylinders.**

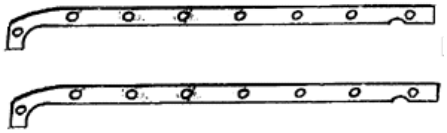


Item 7079 **Carburetor housing gasket for Chrysler M80 engine.**

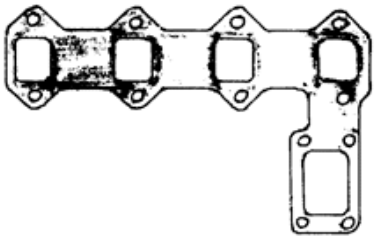
Item 7080 **Water pressure valve gasket for Chrysler M80 engine.**



Item 7081 **Thermostat gasket for Chrysler M80 engine.**

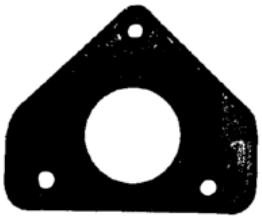


Item 7082 **Oil pan gasket for Chrysler M80 engine.**

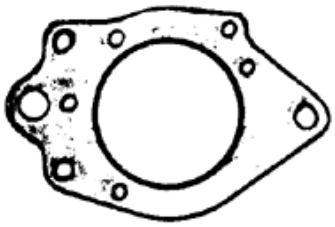


Item 7083 **Upper intake manifold gasket for Chrysler M80 engine.**

Item 7084 **Lower intake manifold gasket for Chrysler M80 engine.**



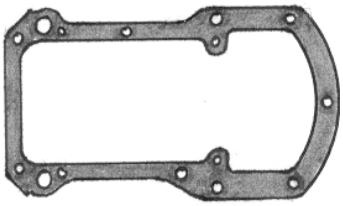
Item 7085 **Carburetor fitting gasket for Chrysler M80 engine.**



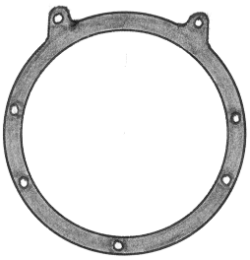
Item 7086 **Internal carburetor gasket for Chrysler M80 engine.**

Item 7087 **Generator fitting gasket for Chrysler M80 engine.**

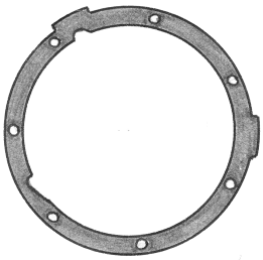
Item 7088 **Water pump fitting gasket for Chrysler M80 engine.**



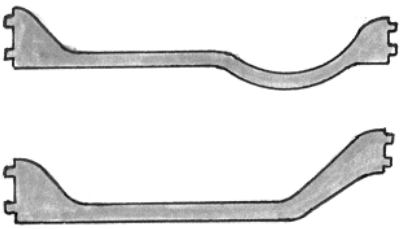
Item 7089 **Rear mount gasket for Chrysler M80 engine.**



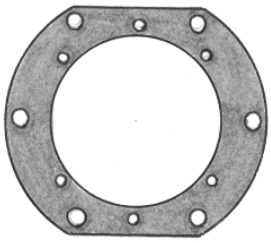
Item 7090 **Transmission gasket for Chrysler M80 engine.**



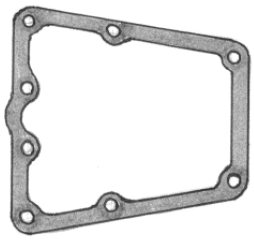
Item 7091 **Transmission fitting gasket for Chrysler M80 engine.**



Item 7092 **Front & rear intake manifold gasket for Chrysler M80 engine.**



Item 7093 **Transmission coupling flange gasket for Chrysler M80 and Chris Craft 283 engines.**

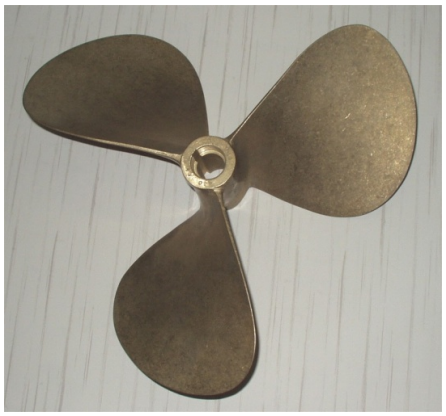


Item 7094 **Transmission cover gasket for Chrysler M80 engine.**

Engine gasket set.

Item 7100 For Chris Craft 283.
Item 7102 For Riva/Crusader 180 > 220 HP
Item 7104 For Riva/Crusader 320 / 350 HP
Item 7106 For Chrysler M80.

Riva 3 blades propellers, with thread for Riva's puller
(item 0570).



Item 7501	For Florida 1"-317 X 330 RH.
Item 7502	For Super Florida 1"-335 X 400 RH.
Item 7503	For Florida - S. Florida - Olympic 1"-335 X 370 RH.
Item 7504	For Junior 1"-335 X 350 RH.
Item 7505	For Rudy - Rudy Super 1"-345 X 345 RH.
Item 7506	For Olympic con 270 HP 1"-345 X 390 RH.
Item 7507	For Ariston 1"-340 X 390 RH.
Item 7508	For Ariston 1"340 X 360 RH.
Item 7509	For Super Ariston 1"1/8-350 X 395 RH.
Item 7510	For Super Ariston 1"1/8-355 X 430 RH.
Item 7511	For Tritone 1"1/8-340 X 420 RH.
Item 7512	For Tritone 1"1/8-340 X 420 LH.
Item 7513	For Tritone - Aquarama 1"1/8-335 X 370 RH.
